## A RESOLUTION

16-475

## IN THE COUNCIL OF THE DISTRICT OF COLUMBIA

January 17, 2006

To declare the existence of an emergency with respect to the need to disapprove Reorganization Plan No. 1 of 2005 to transfer the functions of the Office of Property Management (Protective Services Division) to the Metropolitan Police Department (Office of Security Services).

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Reorganization Plan No. 1 of 2005 for the Office of Property Management (Protective Services Division) and the Metropolitan Police Department (Office of Security Services) Emergency Declaration Resolution of 2006".

Sec. 2. The Council finds that:

(1) The Office of Property Management ("OPM"), in fulfilling its mission of managing and coordinating the District's real property, needs to be able to direct building security personnel in accordance with its overall property management plans.

(2) OPM is responsible for directing capital improvement and construction programs for District government facilities and is acutely aware of the dynamic nature of the security needs of the District's properties.

(3) By maintaining the current organizational structure, OPM will preserve the vital connection and flexibility that is necessary in directing the Protective Services Division.

(4) By maintaining the current organizational structure, duplicative functions will be eliminated since OPM has an inherent role and is directly involved in decisions that are made concerning the security of District buildings.

(5) The established missions of the Metropolitan Police Department ("MPD") and the Protective Services Division of OPM are distinctly different.

(6) The absorption of the Protective Services Division into MPD will divert MPD's resources and attention from its primary mission, which is preventing crime.

(7) The proposed plan would group the Protective Services Division with MPD's School Security and Youth Violence Prevention Unit. The proposed alignment raises significant questions, due to the fact that the unit's primary focus is the prevention of youth-related crimes, and the overall mission of the Protective Services Division is the protection of the District's property.

Sec. 3. The Council of the District of Columbia finds that the circumstances enumerated in section 2 constitute emergency circumstances making it necessary that the Reorganization Plan No. 1 of 2005 for the Office of Property Management (Protective Services Division) and the Metropolitan Police Department (Office of Security Services) Emergency Disapproval Resolution of 2006 be adopted on an emergency basis.

Sec. 4. This resolution shall take effect immediately.
